

**Bonding in the Bahamas 2015 Film Location Tour,  
celebrating the Nassau films of James Bond 007  
as told by our host, Emilio Largo**

May 25, 2015...as our Bahamas Air Boeing 737 touched down at Lynden Pindling International Airport in Nassau, I knew this week would be an exciting one for Domino and me. Having taken great care to assemble candidates from over ten countries, 40 James Bond fans that would appreciate

a 5 day celebration of the 1965 classic 007 film, “Thunderball”, I knew all was in readiness. I counted on our organizers, Richard and Leslie Skillman, from Themepartypeople, to anticipate any possible variation of counter-move in our activities.

Our adventure began at the British Colonial Hilton, known as “James Bond Hotel “on the island as it is here that Bond stays and has several scenes appear in 1983’s “Never Say Never Again”. The tiki bar where Sean Connery’s martini is nearly soaked by Fatima Blush is now long gone due to a hurricane but one can imagine the sounds of 007’s Scottish brogue over the sounds of a water ski boat inquiring as to the location of the Disco Volante.

This hotel has a supply of 650 bikes for the first few days and that is the Vaspet Martini, which is the only one of its kind in the world.
